Dear Friends,

In an effort to compliment the wonderful outreach that Lisa Trifiletti has done in previous years on the Northside ***we'll be doing the first Town Hall meeting on the Northside projects for the neighborhood***. Planned for mid-April, this Townhall will be an exciting and fun roll out of the key Northside projects along with Q and A.

We're going to have a mix of speakers to keep the format fresh and engaging. **We're also going to have entertainment during the reception time, and some light refreshments.**

Attached is the flyer for the event. All are welcome to attend.

We're on the Move,

Trevor
